

# ADULT MUSIC WEEK INFORMATION

St. Olaf & Duke come to the 'Ridge!

Come learn alongside Zeb Highben, Catherine Rodland, Pastor Amanda Highben and Michael Helman.

We offer an experience-based week so that you can learn with renowned clinicians while you sing in the adult choir, ring handbells, participate in organ/keyboards sessions and the hymn fest choir, sing and ring through new repertoire in the reading sessions and take part in worship. Morning and evening worship services are crafted for you to enjoy while at camp and to take home ideas to implement in your own church.

Daily Bible Study with our chaplain offers additional time for reflection.

It's a week apart, not to be missed. Encourage your choir members to come. Invite a friend & colleague. THIS is the year for you to be "at the 'Ridge" in July! Check out the tentative schedule below.
