Faith Ablaze For High School Youth

This is a retreat for high school youth that will resemble summer camp and also allow for more freedom and choice for participants. Campers will be assigned to a cabin group with a college-aged counselor and other participants that they may or may not know. The weekend will include excellent music, Engaging Bible study, and a choice of topics to explore more deeply in smaller groups. There will also be free time for climbing on the indoor climbing wall, crafts, and exploring the beauty of camp. Our time together will conclude with interactive worship on Sunday morning.

Adult leaders are welcome to stay at camp over the weekend but will not have a specific role in leadership and will be encouraged to check in with their participants at certain times.

Your reservation includes lodging on Friday and Saturday nights and 4 meals: Saturday breakfast, lunch, and dinner and Sunday breakfast. (You may wish to bring spending money for a visit to the Lutheridge store.) Please complete the **Camper Health Form** ~ and make sure your parent or guardian signs it in three places.

This 3 page form **MUST** be filled out and **brought with you to camp**. We cannot admit any camper to a NovusWay program without this form SIGNED by a parent/guardian. These forms are not kept on file between summer and year-round seasons. We must have new forms for each program you attend. This form does not require a physician's signature or copy of a current physical.

Please make sure the person bringing you to camp checks this before leaving home!

This form is included in this packet and it can also be downloaded from our website <https://lutheridge.org/wp-content/uploads/Faith-Alive-Health-Form>.
